### Student Worksheet

## Thought-starter: What concerns you most about the future and why?

### Interviewing For Definitions

You now need to interview two or three people in your class and record their definitions for the following terms in the table below:

Term	Interview 1	Interview 2	Interview 3
Climate change			
Greenhouse gases			
Carbon dioxide			
Carbon sequestration			
Sustainability			

Be prepared to share your responses with the class.

## Reflection

After watching the 2040 film, use the following questions to help you reflect on the film:

1. What did you SEE in this film? What happened in this film?

---

---

---

2. What does this film make you THINK about?

---

---

---

3. How does this film make you FEEL?

---

---

---

4. What does this film make you WONDER? What questions do you still have?
